

Titcomb Mountain

2018-2019 PROGRAMS

Healthy Fun For All!

Below you will find some basic information to help guide you. Our programs are listed inside. Also check our website at www.titcombmountain.com, or call us at 778-9031. Check back page for our Adult Programs and Alpine, Nordic, and Snowboard private lessons!

Titcomb Mountain is owned and operated by the Farmington Ski Club, which is very unique in the snowsports world. For over 70 years, club members have run all aspects of Titcomb by volunteering their time and energy to help keep the families of the area healthy and enjoying life-long winter sports. A Board of Directors governs Titcomb and there is also a non-profit 501-C-3 Foundation. The manager, mechanical manager and commissary manager are hired by the BOD. Lift attendants are also hired. Most everyone else is volunteering!

- + You are a Farmington Ski Club (FSC) member if you have purchased your Titcomb season pass. Look for the lower price on programs by being a member.
- + **Nordic** is cross-country skiing on the tracked trails through the woods, fields, and around the top of the mountain.
- + **Alpine Ski** is downhill skiing on the groomed, lift serviced trails
- + **Alpine Snowboard** is snowboard riding on the groomed, lift serviced trails
- + Rentals are available daily at the mountain from Northern Lights, or lease for the season from Ski Depot.
- + **Deadline: Check each program for their deadline.** SnowCats and Riders Club have separate applications and deadlines. If it is past your program deadline, check for availability. You may be able to join in!
- + **Some programs have maximum enrollment numbers.** Completed applications will be accepted on a first come, first served basis, then placed on a wait list if necessary.
- + **Scholarships are available; if finances are a challenge for participation, please ask us.**

Please be nice, be on time, and help out as much as you can.

Program volunteers are contributing their time to make Titcomb enjoyable for all.

2018-2019 Programs

Programs are listed by age/grade

Enrollment limited to 65. First come, first served with completed applications.

Scholarships are available for most programs

(Fill out a form in the Lodge office)

Grade 4-8 F.A.S.T. Farmington Area Ski Team (Alpine and Nordic)

Monday through Thursday (and some Saturdays) after-school program staffed by FSC coaches. Offers an introduction and participation in Alpine slalom and giant slalom ski racing and/or Nordic classic and skate ski racing. Group and individual coaching will be provided in a positive and supportive environment. Competition will include races against teams from area communities and schools. The goal of each practice is to make outdoor exercise and skiing fun. We will build upon physical fitness, ski skills knowledge and enjoyment of the sport to prepare each skier for the next level. The emphasis will be the participation in practice and races are a culmination of practice.

November 26 - End of February. Registration deadline is during the first week of practice. 2:30—4:30 PM (start time depends on school release time)

Cost :Farmington Ski Club Membership required. \$75 program fee.

\$110 program fee for those doing both F.A.S.T. Alpine and F.A.S.T. Nordic

Contact: Alpine - Monica Clark 778-5648 or 441-8477

- First Time Lessons
- Advanced Lessons
- Freestyle Ski & Snowboard Lessons

Cost: *Children and adult lessons: \$30 per student.*

Ask us about a ski and rental package!

Volunteering and how you can help with the programs. With children, it is always great to have an extra set of hands. You don't even need to be on skis! Help with stragglers, check-in, and getting them into their equipment. Usually the first 15 minutes of the class is when help is needed most, so please ask how you can help. Instructors are always needed, and training is provided. You get to improve your skills AND change the life of a child.
